Students and faculty could choose from many delicious flavors and a variety of toppings. While students assembled their own creations, the band "Unity" entertained in the contest gym. COLLEGE NIGHT

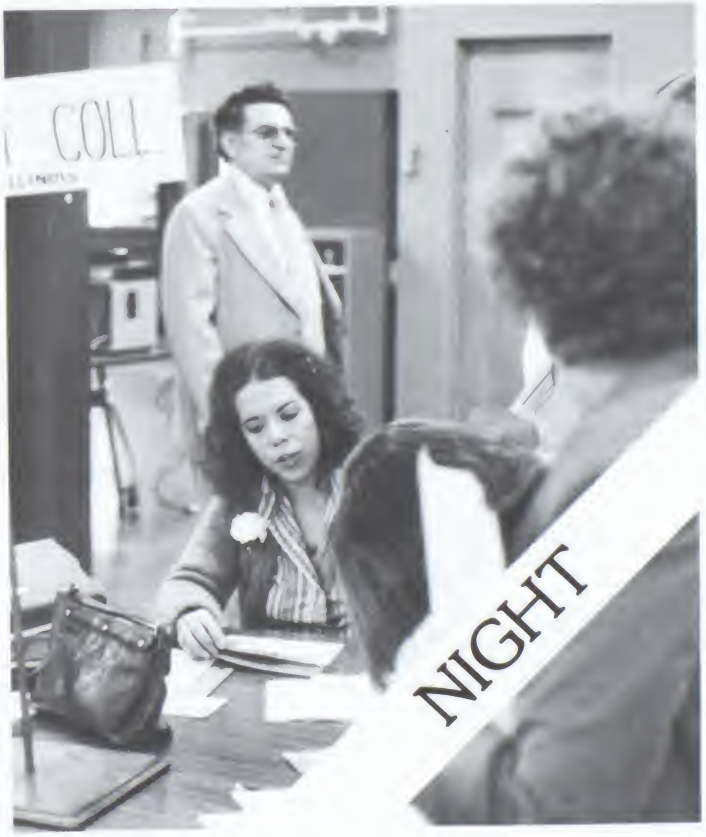
College night was a big success. Approximately 200 colleges assembled on the evening of the 27th of September. Many of those students who were undecided about what colleges they wanted to attend or which one suited their purposes the best, made up their minds that night.



BACK TO SCHOOL DANCE

The first "Back To School Dance" in Niles West history was a phenomenal success. The band, "Free Wheelin' " played for three great hours. Everyone became well acquainted again for another fun year at school.

POW WOW MOVES FROM "OFFSTAGE ONSTAGE"

Pow Wow '78, "Offstage, Onstage", was a new type of production. Instead of following the old musical comedy-variety show formula, this year it was a full-length play. It featured the trials and tribulations of putting on a student-run show. Under the direction of Michael Savitt and Amy Tolsky with a script written by Bob Levy, with additions by Haim Brody the show came to life. The outstanding band was led by Music Directors Mark Zivilik and Steve Cross. The other Steering Committee members were: Nora Steindler, Vocal Directors; Lisa Kharasch and Cynthia Tao, Choreographers; Mike Kochman and Karen Kozer, Technical Directors; Michael Ann Luncsford and Tarina Uglinica, Costumers. All-in-all, it was a great show!

A dance contest was held in which the contestants got to do their own thing on a dance floor that was very similar to the one used in *Saturday Night Fever.* All in all it was a very enjoyable evening.

SOCK HOPPIN!

On Friday, November 17, the 50's sock hop spun Niles West back to a time of pigtails, bobby socks, and leather jackets. Students, dressed in their favorite fifties fashions, twisted, bunny hopped, and jitterbugged to many vivacious tunes played by the band, "Yesterday's News." The nostalgic evening provided students with a first hand experience of the great fun and laughter of the "good old days."

TOP RIGHT: The band plays a bit of nostaglia to remember the good old days. *TOP LEFT:* Two students trying to jitterbug. *CENTER:* Students discussing the memorable evening at Niles West. *BELOW:* The Niles West gym livens up with a new kind of dance, the Bunny Hop.

CHILDREN'S THEATER SPACES OUT

This year's Children's Theater production followed the latest fad of science fiction space adventure. "Space War 2000" was about a war in another galaxy. The mad Nargot Prime Minister (Merle Kahn) planned to control the galaxy and sent bombs to annihilate Armagon. However, the galaxy was saved by her unfaithful android assistant Cregia and by Queen Monadine's assistant Blee. Other main characters were Kelly Chester, Amelia Bartholomew, and Debbie Weiss. The excellent acting and scenery in the show were complimented with spectacular lighting and sound effects. Presented on December 15 and 16, "Space War 2000" was a really "far out" show.

On Saturday, February 17, this year's Valentine's Dance went down in history as one of Niles West's most heartwarming experiences. The band "Main Squeeze" provided music while many couples happily danced the night away. The evening was climaxed by the crowning of the King of Hearts, Gary Stone.

Pippin, presented on March 29, 30, and 31, is the story of a boy searching for his "corner of the sky". The title character, played by sophomore Dan Blackman, is the first-born son of the King Charlemagne (Bob Levy). Pippin's goal in the play is to find complete fulfillment in his life. He is aided in his journey by the Leading Player (Amy Tolsky), his step-mother (Sonja Hagopian), and his grandmother (Robyn Grobman). Catherine (Allyson Harris) helps Pippin reach his final decision. This musical production, in addition to being performed at Niles West, was also presented for the Region Three American Theatre Association in Ann Arbor, Michigan, where the cast, crew, and jazz band visited in April.

WESTWORD GETS THE SCOOP

West Word, Niles West's biweekly newspaper, was more than mildly successful this year. Under the intelligent leadership of Editor-in-Chief Dan Hurwich, the paper made its mark on the student body and the community in general. Senior Bob Levy raised both interest and controversy while becoming West Word's first featured columnist in fourteen years. The editorial staff was also lead by Sports Editor Tony Scott, Fine Arts Editor Pam Chen, and Features Editor Holly Bland. Hurwich was assisted in his monumental task by Assistant Editor Dan Oberrotman. West Word staff writers who were noted for their exceptionally hard biting stories and their warmly interesting feature articles were seniors Jim Baron, Merle Blum, Tony Bravo, Steve Brown, Mindy Nelson, and Linda Singer, and juniors Adam Cooper, Scott Heyman, Steve Lirtzman and Paul Morton. Also contributing to the success of the fortnightly were Howard Frazin, Dan Bernstein, Mike Nueman, Ian Streicher, and Heide Karp. Not to be forgotten was the often unnoticed but nonetheless important contribution of faculty sponsor Jerry Orr.

Lead by senior captains Chris Grenda and Chuck Spagnoli, they fought hard and were supported greatly by a tremendous amount of spirit from the rest of the school. Head Coach Don Huff said he is looking forward to next year and sees great upcoming talent. Helped stupendously by great quarterbacking from Grenda and Junior Ben Froemming and great running by Jim Sliwa, Chris Lapak, Jim Hosfield, and Joey Morgan, just to name a few, the men went on to beat their last season's record and, at the same time, provide an exciting season for the fans.

The Niles West Varsity Indoor Track Team headed by Coach Pat Savage experienced a very challenging season. Despite the Snowstorm of '79, the team posted an excellent record. Led by co-captains Rick Arendt, Nestor Evaristo, Ken Klemm, and Tom Pang along with outstanding atheletes Ricky Bedony and Bruce Weil. Niles West proved what Track was all about.

The Girls V arsity Basketball Team had a season in which the word "loss" was unknown. They rolled past teams with scores that seemed uncompetitive. Niles West was the team to beat without a doubt.

There could have been many reasons for such a successful season. One might have been that the team was under a new coach, Mr. Earl. As the team won more and more games, they picked up the name "Earl's Girls". He had a lot of talent to work with however. Connie Erickson showed exceptional talent last year as a junior and picked up right where she left off as a senior, being made captain of the team. Other superior players were Judy Becker, Barb Atsaves, Holly Anderson, Peggy Japely, and Tina Conti.

The Girls Junior Varsity Basketball Team followed the example set for them by the Varsity girls. Led by Coach Zurkowski, the Junior Varsity Team showed that they had the talent and finesse to be recognized along with the Varsity.

The starting line-up consisted of Marilou Benjamin, Peggy Reljac, Michelle Berglund, Mary Klancnik, and Donna Tripicchio. They had a strong season, winning a large majority of their games.

UP, IN, AND A WIN!

The Freshman Girls' Basketball Team had a very satisfactory and promising year. Their 11-5 record, while indicating the team's talent, does not reveal the fact that many of their losses were by close scores or in overtime. The team has the potential for producing many varsity players, Judy Banathy being one of the most outstanding.

BOTTOM ROW (l to r): Jenny Weiss, Lisa Sidler, Lisa Tomoleon, Lynette Fair, and Debbie Horvitz (Manager). MIDDLE ROW (l to r): Ann Murrey, Jean Reljac, Anne Stuermer, Jane Vodvarka, and Mary Gates. TOP ROW (l to r): Coach Barbara Leahy, Karen Hendley, Patty Wei, Lory Roller, Karen Kaufman, Patti Quist, and Judy Banathy.

EARL'S GIRLS 1978-1979

Under new coach Gene Earl, the Niles West girls basketball team breezed past all opposition in 1978-1979 to capture the state championship March 30-31. Capping the team's 28-1 season was an impressive 63-47 victory over East St. Louis Lincoln in the championship game. "Earl's Girls" set many records during the state tournament, including the mark for the highest scoring team with 217 points in three games. West's lone setback came in the semifinal of the Libertyville Tournament, when the Indians fell to Maine South 59-54 in overtime, but Coach Earl later said, "We defeated Maine South three times (including a 69-55 victory in the sectionals) so I guess we made up for that one." Another highlight of the season was the exciting 71-64 victory over Glenbard West in the supersectional, in which the three year "supersectional curse" was finally overcome by the surging Indians. Individual stars included Connie Erickson, whose backcourt wizardry won her All-State and All-Tournament honors, Peggy Japely, who also made the All-Tournament team while leading the team in scoring, and Barb Atsaves, second highest scorer on the team. Other standouts were starters Tina Conti and Holly Andersen and reserves Judy Becker, Becky Schnell, Lynn Carlsen, Missy Isaacson, Karen Wickstrom, Nancy Eck, Pam Hintz, and Debbie Durso. By far, the team's biggest attribute was its exceptional quickness, which allowed the Indians to use a full court press when necessary to turn a close game into another blowout. "I knew even before the season started that we'd have a good ball club," said Coach Earl after the championship game, "but it wasn't until we came from behind to beat Hersey that I realized we had a good chance of making it to Champaign. I was afraid we'd face a team that was bigger and quicker, but we didn't." Indeed, the Niles West Indians proved to be superior in every way to the rest of the state in girls basketball this year.

Under the leadership of Coach Earl, Niles West will be downstate for the Championship game next year, and in those that follow.

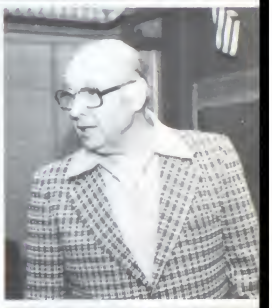
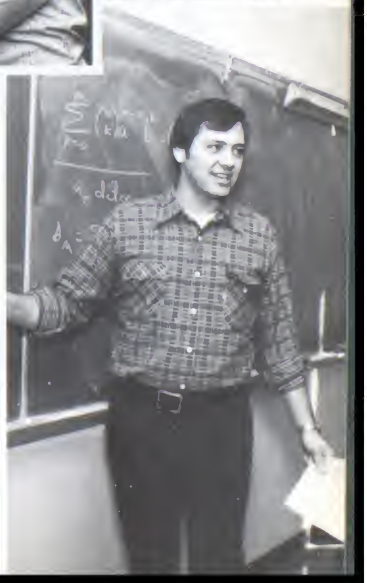
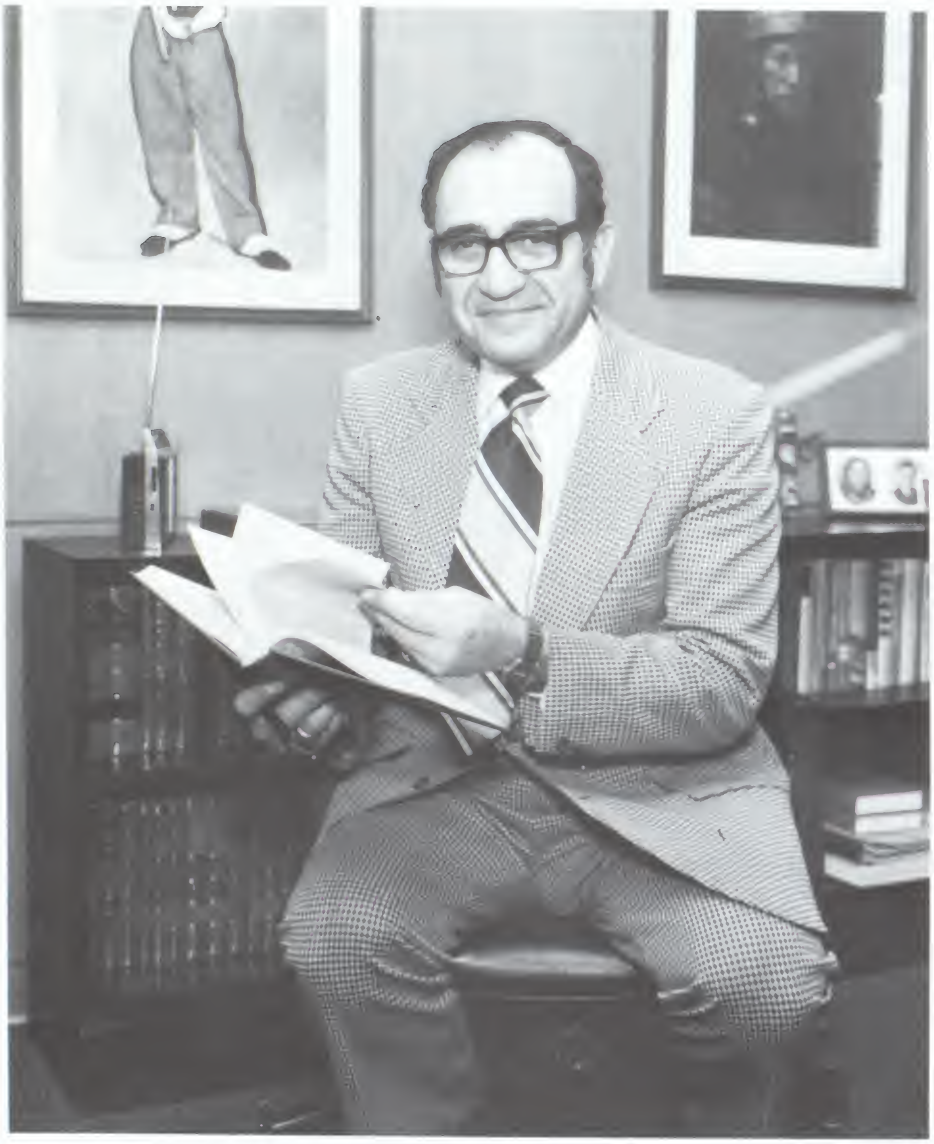
STAFF





OUR PRINCIPAL



Dr. Nicholas Mannos

Dr. Mannos, this year as always, has been working on a number of committees both inside and outside the district. Some of the committees were Curriculum Council, Education Policy Advisory, Liason, SFAA, IHSA, Illinois Principal Association, National Association of Secondary School Principals, Niles Township Principals' Club, and Phi Delta Kappa. He has served as a chairperson on a number of these committees, and even represented the Niles Township Principals Club to the Illinois Principals' Association. Some of the more important administrative goals this year included: continuation of the curriculum model program, standardization of finals policies, reduction in force, perfection of the new attendence policy, and and unification of a guide and curriculum book for all three schools. Dr. Mannos is still in favor of the open-hall, open campus system at Niles West. In retrospect, he has had a very busy year.

Mrs. Marion Thomas

ARDENT ADMINISTRATORS

Governing Niles West, the administration has made a number of departmental and schoolwide policy changes. Some of the changes included: a reduction in the issuance of student parking permits, a requirement of one semester of Western Civilization for all sophomore students, and a new finals policy for next year, which consists of finals for all students (including seniors as well as those students with three consecutive A's for the semester). These changes were beneficial, and the administration is very pleased. Another important change is the transformation of the Oakton Street Lobby into a supervised quiet study area. Two changes being contemplated for the near future are closed hallways and permanent sponsors for Class Cabinets. The administrators have had a very busy year, working to put through all of these changes. We appreciate all the extra time and effort they put in to make these changes possible. We also commend them for the excellent job they have done.

FOR THE HEALTH OF IT!

The staff of this year's Health Department consisted of Mr. Ronald Campbell and Ms. Cindy Smith. Although there were only two teachers, they kept the department active. Changes that are to be made include a switch to a full semester course instead of two nine-week courses. Also, it will be up to the student's parents and/or counselor to decide whether the student should take health freshman or sophomore year.

Mr. Jack Lain

Throughout the year, the Industrial Arts Department has worked towards improving teaching methods. The results have appeared in higher student achievement. The department takes pride in providing its students with an opportunity to work with their hands, such as building special projects. This allows the student to actually experience the skills which they aquired in class. Different courses with varying levels of skill requirements were offered, so that the students could choose a vocational education according to their abilities. Independent study was also offered for students who wanted to go beyond regular course curriculum.

DRIVER EDUCATION DEPARTMENT ON SMOOTH ROAD

Mr. James Kettleborough

Providing its students with the necessary knowledge needed to drive an automobile is the responsibility of the Driver Education Department. The staff worked this past year to maintain its superior teaching methods, by better preparing its students for the actual responsibility. In depth classroom sessions, aided by valuable range and behind the wheel experience have been a great asset to the students.

Mr. Carl Van Cleave

COUNSELORS WORKING HARD AT THEIR DESKS

This past year, the Guidance Department worked diligently to meet the needs of its students. When courses were chosen, the counselors came to the students' aid. If students were faced with academic problems, their counselors were always available for help. Students wishing to further their education after high school, were assisted by their counselors in selecting the right college. For students who needed help in finalizing their career choices, the Guidance Information System was used to list all colleges offering the desired subject matter.

Additions are expected in the near future to maintain the appearance of the gym. Ms. R. Dryden, a new addition to the staff, is this year's girls swim and assistant gymnastic coach. Added to the gym program this year were: cross country skiing, co-ed life saving, and racquetball intramurals. All changes were a success.

SECRETARIES KEEPING THE SCHOOL TOGETHER

Mrs. Dorothy Groth

Mrs. Millie Warkenthein

The clerical and secretarial staff of Niles West is often unseen by students, but they work behind the scenes to keep our school running smoothly. The staff includes secretaries, a bookkeeper, and many other personnel working in various parts of the school.

THE LADIES BEHIND YOUR LUNCH

Serving your favorite gourmet entrees of hamburger, fries, grilled cheese, fried liver, pizza, fishburger, and peanut butter and jelly was the job of the Niles West Cafeteria staff. Highlighting this year's operation was the shift from two type "A" lines and one Boat line, to the now famous "A" left line, the fast service center line, and the Boat line on the right. Student optimism towards the fine dietary menues of Niles West reaching a minimum level of edibility and taste was demonstrated by the dramatic reduction in food fights occuring in the cafeteria.

The custodial staff of Niles West this past year adopted a 40 hours workday. The increased length of the day allowed broken windows, doors, and dripping ceilings to be fixed in less work-days than ever before. In their spare time the staff repaired all damage caused by the rash of smokebombs at Niles West. Highlighting the year were the numerous floods of Mr. Ante's office, earning it the nickname of the "Fishbowl".

BOARD HAS ACTIVE YEAR

The Niles Township Board of Education has been working on a number of projects and policies for the township. The most obvious is the decision they made to close Niles East in 1980. It took a great deal of hard work and debate to come to this decision, but the board felt that it was the best thing to do, because of the district's decreasing enrollment.

In addition to this major decision, the board has been active in revising the district's curriculum. It is presently working on a new program to unify the areas of study in all three schools. This change will make it easier to adjust when Niles East does close.
